

**THE RED FACTOR CANARY
STANDARD OF EXCELLENCE AND SCALE OF POINTS**

COLOUR	50 points
Rich, soft and pure, as level in tint as possible throughout. The ideal should have the RED colouring as pronounced as possible and a minimum frosting.	
PLUMAGE	10 points
Close, firm, fine in quality presenting smooth, glossy, silken appearance, free from frill or roughness.	
BODY	10 points
Back well filled and nicely rounded in almost a straight line from the gentle rise over the shoulders to the point of the tail. Chest also nicely rounded, but neither heavy nor prominent, the line tapering to the vent.	
HEAD	5 points
Small, round and neat looking beak; fine eyes central to the roundness of the head and body.	
WINGS AND LEGS	5 points
Wings compact and carried close to the body, just meeting at the tips, at a little lower than the root of the tail. Legs medium length and in harmony with other points.	
TAIL	5 points
Closely packed and narrow being nicely rounded and filled to the root.	
HEALTH	5 points
Condition and cleanliness shall have due weight.	
POSITION	5 points
Semi-erect, standing at an angle of 60 degrees, carriage gay, jaunty and full poise of the head.	
SIZE	5 points
Not to exceed 140mm in length.	
TOTAL POINTS	100 points
